## Kasco Repair Sheet - Customer Info.

\* Important Reminders \*

- \* All repairs sent in **MUST** be accompanied by this completed sheet!
- \* Routine maintenance consists of checking the zinc anode annually and replacing if necessary, keeping the unit keeping the stainless steel can, and having the seals and oil replaced every 3-5 years depending on use.
- \* Address your Repair to Kasco Marine, Attn: Repairs (or to your Authorized Repair Center)
- \* Shipping to Kasco or an Authorized Repair Center is paid for by the customer
- \* You must include the power cord and cage with each unit sent in for repair to be considered for warranty repair!
- \* Do not ship the float and/or control box with the unit for repair, unless otherwise instructed.
